

Blue Light at the Mary Valley Show

Our hard working crew from Mary Valley Blue Light spent the day at the Mary Valley Show on 20th August 2016, promoting Blue Light and their branch to the 3000 people that attended.

Volunteers Colin & Cath Robinson took time out from their busy schedules to set up our marquee, hand out balloons and mini showbags and generally fly the flag for the Association. They were ably assisted by Sgt Brock Murphy, Gary & Julie Walker, and Terry Kennedy.

QBLAI State Administrator Jenny Monk attended for several hours to see the display and show support, but most importantly to see the Mary Valley Blue Light kids perform at the main stage that afternoon.

Above: (left to right) Colin Robinson, Cath Robinson & Julie Walker holding the fort!

After many weeks of work they choreographed their own dance number to Redfoo's "Juicy Wiggle", and the result was a high energy routine that made you feel tired just watching it!

The kids did an awesome job, and it was well worth the trip to see it live. Of course that many young people don't get organised without help, so a big thanks to all the parents and Blue Light volunteers who worked to make it all to come together.

QBLAI State Administrator Jenny Monk & Mary Valley Blue Light Coordinator Sergeant Brock Murphy.

Juicy Wigglers going through their paces.

Cuteness overload! Happy show attendee with her Blue Light Balloon.

The Mary Valley Agricultural Show is held at the Imbil Showgrounds.
