

On the 9th April 2017 Qld Blue Light travelled to Mitchell to put on a Free Family Fun Day for local kids. QBLAI State Coordinator Sgt Paul Lincoln, and Blue EDGE Coordinator Grant Gamlen, along with Mitchell Blue Light volunteers put on a great day! A jumping castle, inflatable slide, mechanical surfboard and face painting kept everyone entertained. There was an afternoon disco with games and prizes, and then to finish off the day there was an outdoor movie. A sausage sizzle and drinks kept everyone fed, and they even had hot popcorn to eat during the movie!

Everyone agreed it was a great day. At Blue Light we believe that kids living in rural areas deserve access to this sort of entertainment and activities from time to time, and their enjoyment was evident from the smiles on their faces.

Above: Mitchell Blue Light Volunteers - from left to right Const. Kevin Corbett, Ween Mailman (heart & soul of Mitchell Blue Light!), and Const. Matt Hawkins.

Right: The lucky winner of our major prize, a Colt Scooter (and helmet of course!)
